DISCOVERY CHOSEN FOR GREATER READING TOP BUSINESSES

FOR IMMEDIATE RELEASE

Wyomissing, PA—MAY 11, 2010

Discovery Federal Credit Union has been chosen for the “Greater Reading Top Businesses” for its fourth consecutive year. The Greater Reading Chamber of Commerce & Industry announced their list of Greater Reading Top Businesses on Sunday, May 9, 2010. Discovery ranked 18 on the list of 50 businesses.

“We’re honored to be recognized by the Chamber again this year,” states Edwin Williams, President/CEO of Discovery Federal Credit Union. “Our top ranking is only possible because our staff and Board of Directors are dedicated to excellent member service, premium products and services, and creating an environment to help each member at every level achieve financial success.”

Through a unique formula which measures revenue growth both in dollars and percentage growth increases, the ranking provided by the Greater Reading Chamber of Commerce & Industry and KPMG is able to celebrate not only large multi-million dollar companies, but also smaller firms that may not be as well known, but which nonetheless have carved out success in what has become a challenging business environment.
